Smart Window

See inside without opening the door: Motion Glow activates a soft interior light as you approach, clearly illuminating every shelf

Magic Zone

Precisely control the temperature in the my zone drawer based on the food stored inside.

Smart Sensor Light

The breathing light offers intuitive interaction. It gently pulses to guide you to the handle in the dark, activating as you approach.

Dual Ice for Double Refreshment

Ice is always ready with the Dual Ice Maker in the freezer, producing two types of ice for every occasion: Large ice cubes (11g): Melt slowly, for whiskey and spirits; Small ice cubes (3g): Cool rapidly, ideal for sodas, juices, iced coffee
