[1]Based on internal testing of the cycle time when drying an IEC 3kg load with Cotton cycle. Results: Bespoke AI Laundry Combo model with a heat pump (WD21B6400KV) = 78 minutes vs. WD21B6400KV combo model with a condenser = 202 minutes, which is a reduction of 60%. Individual results may vary based on actual load contents. Based on internal testing and verified by KATRI (Korea Apparel Testing Research Institute) of the cycle energy consumption when drying an IEC 3kg load with Cotton cycle. Results: Bespoke AI Laundry Combo model with a heat pump (WD21B6400KV) = 0.8kWh vs. WD21B6400KV combo model with a condenser = 3.6kWh, which is a reduction of 75%. Individual results may vary based on actual load contents. [2]Based on internal testing and verified by KATRI (Korea Apparel Testing Research Institute) of the cycle time when drying a DOE (50% cotton/50% polyester) 3kg load with a Super Speed cycle of WD25DB8995BZ model. Result: The washing and drying cycle was completed in 98 minutes. Results may vary depending on the actual usage environment. [3]AI Wash & Dry's detection and sensing capabilities are based on our deep learning models trained using predefined set of data and may yield inaccurate or incorrect results. New datasets may be introduced to our learning models from time to time to enhance its accuracy. A turbidity sensor operates for all weights, while fabric sensing operates for 8lbs and under. Actual results may vary depending on individual use. To prevent wear, wash like fabrics together. *Redemption of free Touch 'n Go eWallet credit valid from 1 October 2026 - 15 January 2027 and may vary depending on purchase platforms, whether in-store or online. **Only available on SmartThings-supported models produces after 2024. Extended warranty redeemable via Samsung Redemption Portal from 15 January 2026 - 15 January 2027 for purchases made in-store. Extended warranty for purchases made on online stores will be fulfilled directly with an e-Certificate that will be emailed to customers. [1]The test results are based on a comparison of the factory setting temperature when using AI Energy mode and without using AI Energy mode. Results may vary depending on the usage conditions and patterns. [2]Redemption of free Touch 'n Go eWallet credit valid from 1 October 2026 - 15 January 2027 and may vary depending on purchase platforms, whether in-store or online. Promotion is valid while stocks last and on first come first served basis. Images are for illustration purposes only. Both RRP and Promo RRP (if any) are subject to change without prior notice and not binding on dealers. Samsung reserves the right to suspend, terminate, cancel the promotion or change the promotional products anytime without any prior notice. Terms and conditions apply.
